Asst Super Report: 10 members went to the Div 3/7 meeting. Bob discussed how active out membership is with half of the members attending today's meeting. He also discussed the turnout for this meeting versus other divisions. Tony Koester gave an excellent clinic. Members visited several layouts including Jim Rollwage's and Allen McClelland's.

2010 Convention – The convention hotels were visited. The Ramada was not well suited to the meeting facilities. The Charleston House has excellent facilities. The Marriott was also visited but the facilities were not as well-suited. We will need members contest, clinics, banquet, registration. Division 8 has volunteered to run the Company Store. We will also be having layout tours. Bob recommended that members come to this year's meeting to see what they are all about.

Figures for the Charleston House - Rooms will be \$99 per night, potentially there will be 75 rooms needed for the event. The cost will be \$2500 for use of facilities unless the minimum room figure of 120 room nights will be \$3000. There will also be a number of complementary rooms as part of the deal.

Dwight Sherman moved that we authorize Bob and Lin to further investigate hotels. Seconded by Tony P. The motion was discussed and approved. Lin reminded everyone this will be a big commitment for members' time. The dates will be May 13-16, 2010.

Bob thanked Greg McCartney for two years of service as contest chair and editor. Dan Mulhern will now serve as contest chair.
